Equipment Damage or Loss

**REPORTING LOSSES OR DAMAGE**

Lost or damaged University- or federally-owned equipment are reported as follows:

**Inventoried Equipment Losses**

- **Notify WSU Police**
  
  Immediately report the loss of all inventoried equipment to the local police department with jurisdiction. On the Pullman campus, notify the WSU Police; telephone 509-335-8548.

- **Inventory Control Report**
  
  See *BPPM 20.50* regarding documenting equipment losses on Inventory Control Reports.

**Insured Equipment Losses and Damages**

Most University equipment is not insured. WSU operating budgets assume most losses and damage. If lost or damaged equipment is insured, departmental personnel coordinate the claims procedures through Risk Management Services.

**Motor Vehicle Accidents or Losses**

See *SPPM 7.20*.
