Shared Leave

For information regarding shared leave, see BPPM 60.58.

Ineligible for Leave

The following categories of faculty and AP employees do not earn leave:

- Retired faculty and AP employees who are rehired on less than half-time (e.g., 40 percent FTE) appointments
- Visiting faculty on summer appointments
- Temporary faculty employed less than half time
- Temporary faculty employed less than one semester (academic appointment) or less than six months (annual appointment)
- Adjunct faculty

Ineligible for Annual Leave

Faculty on academic appointments do not earn annual leave.

Departmental Guidelines

In addition to the rules specified in the Business Policies and Procedures Manual (BPPM), the Faculty Manual, the Administrative Professional Handbook, and the Fair Labor Standards Act (29 USC 201), departments should develop internal processes for:

- Employees to submit time worked and request leave/time off; and
- Managers/time approvers to verify hours worked and leave taken has been recorded accurately.

Overtime-ineligible employees do not enter hours worked but must record all leave taken. When leave is taken, the employee must record the type and amount of leave used and submit it to their Manager or Time Approver. The Manager or Time Approver is responsible for validating and approving that:

- The leave submitted is in accordance with policies;
- The leave submitted is accurate and true; and
- All leave taken has been recorded.

Overtime-eligible employees must record time worked and leave taken. By submitting their time for approval, the employee is certifying the hours submitted have been worked and are true and

accurate. The Manager or Time Approver is responsible for validating and approving that:

• All hours reported have been worked,

• All time off is recorded, and

• Any pay-impacting activity such as overtime or leave without pay has been recorded.

Managers or Time Approvers should not approve hours worked until the employee completes working their hours for the pay period.

Annual leave cannot be taken before it is earned.

ANNUAL LEAVE

Earning Annual Leave

AP employees earn annual leave at the rate of 16.67 hours per month of completed service, based on full-time equivalent (FTE). Part-time appointments earn annual leave based on their full-time equivalent, e.g. 50 percent FTE earns 8.34 hours annual leave per month. AP appointments are not established for less than 50 percent FTE and/or for less than a six-month term.

Earning Annual Leave
(cont.)

See the Administrative Professional Handbook for more information. To view the handbook, go to the HRS website at:

hrs.wsu.edu/ap-handbook

Faculty on annual appointments earn annual leave at the rate of 16.67 hours per month of completed service, based on full-time equivalent. Faculty on academic-year appointments do not earn annual leave.

Employees hired or separated within the month receive leave on a prorated basis. Prorated annual leave for the month is calculated as follows:

Number of days worked ÷ number of working days in the month = Fraction

Fraction x 16.67 x Percent FTE = Annual leave accrual

Maximum Accrual

The maximum annual leave accrual is 352 hours (44 working days).

LWOP

Faculty and AP employees accrue annual leave on a prorated basis for portions of months that include leave without pay.

Prior State Service

An employee who transfers to WSU with no break in service transfers accrued annual leave hours if they transfer from:

- A state of Washington agency.
- A state of Washington higher education institution.
- A state of Washington educational service district.
- A state of Washington school district.
- The office of the Washington superintendent of public instruction.

Employment by a state of Washington educational service district and a state of Washington school district is not considered to be state service. Employees may transfer accumulated leave from the educational service district or school district. However, such employees do not receive credit for state service. See BPPM 60.19 for more information and instructions.
Faculty and Administrative Professional Personnel Leave

Using Annual Leave

An employee may not use annual leave before the leave is earned. EXCEPTION: The annual leave hours earned during the final month of the appointment may be used in the final month.

Leave is scheduled with the approval of the unit administrator.

Faculty members moving from an annual to an academic year appointment must use any accrued annual leave within one year to avoid loss of earned leave.

Faculty or AP employees on a temporary appointment must use accumulated annual leave prior to the termination date of the appointment unless the employees receive a written exception from the appointing authority.

Leave Must Be Allowed

The unit administrator must allow an employee to take annual leave for:

- Serious health condition of employee.
- Emergency or serious health condition of employee's eligible family member.
- Health condition of employee's minor or dependent child, which requires treatment or supervision.
- Parental leave.
- Active duty or to take part in active training duty in the armed forces of the U.S (see Military Leave).
- An employee whose spouse is a member of the military who has been notified of an impending call or order to active duty or who has been deployed (see also Leave for Spouse of Member of Military).
- Care for a spouse, son, daughter, parent, or next of kin who is suffering from a serious illness or injury arising from injuries incurred in the line of duty in the armed forces of the U.S. (see Leave to Care for Service Member for definition of the term next of kin).
- Recovery from and coping with the effects of domestic violence, sexual assault, or stalking (see Victims of Domestic Violence, Sexual Assault, or Stalking and RCW 49.76).
- Absence due to inclement weather, suspended operations, or emergency closures (see Leave Due to Suspended Operations, Emergency Closures, or Inclement Weather).
Faculty and Administrative Professional Personnel Leave

Use of Annual Leave While on LWOP

An employee may not use annual leave while on leave without pay (LWOP).

EXCEPTION: An employee who is on LWOP for one of the following reasons may schedule paid leave each month to maintain eligibility for WSU-sponsored employee benefits:

- Family medical leave up to 12 weeks
- Disability leave up to four months
- Disability leave due to pregnancy or childbirth, as long as medically certified;
- Parental leave up to 12 weeks
- Workers' Compensation (see Work-Related Injury or Illness).
- Military leave service in the uniformed services of the United States or the state of Washington, as long as required to serve
- Leave for an employee whose spouse is a member of the military who has been notified of an impending call or order to active duty or who has been deployed (see Leave for Spouse of Member of Military)
- Leave to care for a spouse, son, daughter, parent, or next of kin who is suffering from a serious illness or injury arising from injuries incurred in the line of duty in the armed forces of the U.S. (see Leave to Care for Service Member); up to 26 weeks;
- Domestic violence leave (see Victims of Domestic Violence, Sexual Assault, or Stalking).

NOTE: Due to the multiple types of leave available for disability, maternity, or parental leave, or Workers' Compensation, as well as leave for military spouses or victims of domestic violence, consult with HRS regarding appropriate use of leave.

Sponsor Restrictions

Some sponsored agreements require that annual leave earned on a given contract be used during the contract. Leave balances earned while the employee is supported by any other source of funds may not be used during such a contract.

International Contracts

International contracts include the above restriction. When a WSU employee is appointed to an international contract, the employee's existing annual leave balance is frozen. The employee must use all annual leave earned while abroad within the effective dates of the appointment or forfeit any unused hours.
Faculty and Administrative Professional Personnel Leave

*International Contracts (cont.)* Upon completion of the assignment abroad by assignment to a domestic project or to a state-funded appointment, the previously frozen annual leave balance is unrestricted and available in accordance with WSU policies.

*Payment Upon Separation* See BPPM 55.49.

*CIVIL LEAVE* WSU grants employees leave of absence with pay to serve on jury duty, as trial witnesses, or for other subpoenaed civil duties.

**Jury Compensation** The employee may keep any compensation they receive for serving as a member of a jury.

**Official Capacity** If an employee is appearing in court or at a hearing in a WSU official capacity, the employee is not on leave from the University. The activity is considered to be part of the employee's regular assignment. The employee is reimbursed for any incurred expenses in accordance with University procedures.

**Voluntary Expert Testimony** (Faculty Only) Voluntary expert testimony by faculty members is governed by University policies regarding compensated outside service and extended professional activities for faculty. See BPPM 60.44 and the Faculty Manual.

**COMPENSATORY TIME** (AP Employees Only) Full-time overtime-eligible AP employees receive time and one-half regular pay for all hours worked in excess of forty hours per week.

Part-time overtime-eligible AP employees receive straight time pay up to forty hours per week. These employees are eligible to receive time and one-half regular pay for hours worked in excess of forty hours per week.

Overtime eligible AP employees receive cash payments for overtime for hours worked in excess of 40 hours in one workweek. However, at the employee's request, an employing official may approve compensatory time off in lieu of cash.

All paid holidays during an overtime-eligible AP employee's regular work schedule are considered as hours worked for purposes of determining overtime.

Leave with pay taken during the employee's regular work schedule is not considered as hours worked for purposes of determining overtime.
Faculty and Administrative Professional Personnel Leave

**DISABILITY LEAVE**

Faculty and AP employees may be qualified to receive disability leave, including leave due to pregnancy and/or childbirth, under the Family Medical Leave Act (FMLA) (see [Family Medical Leave](hrs.wsu.edu/employees/disability-services/medical-leave)).

**Requesting Disability Leave**

An employee submits a request for disability leave through Workday. See the Workday Request a Leave of Absence reference guide.

The employee must submit medical certification or verification to HRS for the period of disability.

For advisory guidelines and more detailed information about disability leave, including disability leave due to pregnancy and/or childbirth, contact HRS; telephone 509-335-4521, or see HRS website at:

hrs.wsu.edu/employees/disability-services/medical-leave

**Leave Usage**

**Disability Because of Pregnancy or Childbirth**

Disability leave related to pregnancy, childbirth, and/or family medical leave may be a combination of sick leave, annual leave, personal holiday, compensatory time, and LWOP. The employee chooses the combination and use of paid and unpaid leave during such disability leave.

**Disability (Not Pregnancy, Childbirth, or FMLA-Related)**

Disability leave not related to pregnancy, childbirth, or covered by FMLA may be a combination of sick leave, annual leave, personal holiday, compensatory time, and LWOP. However, the employee may not move in and out of paid status during such disability leave. Usually, the employee uses paid leave until such leave is exhausted and then uses unpaid leave for the remainder of the disability leave period.

**Continuing Employer-Paid Benefits**

If necessary due to disability, the employee is allowed to use a minimum of eight hours of accrued paid leave per month for up to four months of disability leave due to pregnancy and/or childbirth (or as long as medically certified) to provide for continuation of employer-paid benefits. (The total months of such disability leave include the twelve workweeks provided under FMLA, if eligible.)

**NOTE:** If using LWOP, eight hours of paid leave per month may not be sufficient to cover the employee's portion of the insurance premiums. Contact HRS for more information.
Faculty and Administrative Professional Personnel Leave

Continuing Employer-Paid Benefits (cont.)

During the fourth month following the family medical leave period, or if the employee is not eligible for family medical leave under FMLA, the eight hours paid leave should be used on the first working day of the month.

EMERGENCY LEAVE

Faculty and AP employees may use emergency leave for a death in the family or of a household member/partner or other comparable emergency.

Refer to the Faculty Manual and the Administrative Professional Handbook for definitions of family members and household members/partners.

To view the Faculty Manual, go to:

facsen.wsu.edu/?s=faculty+manual

To view the Administrative Professional Handbook, go to the HRS website at:

hrs.wsu.edu/ap-handbook

Deans or principal administrative officers may grant emergency leave not to exceed five days.

Extended Emergency Leave

Faculty

The Provost or the Provost's designee may extend leave up to ten days for faculty employees. See the Faculty Manual regarding procedures for requesting extended emergency leave.

AP Employees

The employee's administrative officer and the Director of HRS may extend leave up to ten days for AP employees. See the Administrative Professional Handbook regarding procedures for requesting extended emergency leave.

FACULTY LEAVE WITH PAY

Special Leave With Pay

Ten days of special leave with pay may be requested by faculty members after two years of completed service. Additional requests may be made after each two-year period of completed service. Route written requests to the Provost and Executive Vice President.

**Special Leave With Pay**
through the intermediate administrative supervisors. (*Faculty Manual*)

**FACULTY RETRAINING LEAVE**
Faculty members may request retraining leave for up to two semesters or one year, respectively, for academic or annual year appointments.

Faculty members are eligible for retraining leave provided expected to serve WSU for at least five years following the leave and before retirement.

Procedures for applying for retraining leave are available from the Provost’s Office. See the *Faculty Manual* for additional information.

**FAITH OR CONSCIENCE HOLIDAYS**
Faculty and AP employees are eligible to take two unpaid holidays per calendar year for reasons of faith or conscience or to engage in organized activity conducted under the auspices of a religious denomination, church, or religious organization. (*RCW* 1.16.050)

Employees may select the days desired for the unpaid holidays. Employees must provide reasonable advance notice to the employing official. The employing official must allow the requesting employee to take the unpaid holidays on the selected dates unless the employee's absence would impose an undue hardship on the University or the employee's attendance is necessary to maintain public safety. HRS is available to assist in making hardship determinations.

Employees must take each unpaid holiday as a full day or full shift. Employees may not split an unpaid holiday by taking part of the hours on one day and the balance on another day.

See *Accruals While on LWOP* for information about how LWOP affects leave accruals.

**FAMILY MEDICAL LEAVE**
Faculty and AP employees may use any combination of annual leave, sick leave, or LWOP for family medical leave.

Family medical leave benefits are provided concurrently with University leave benefits, in accordance with the federal FMLA.

**Requirements**
In accordance with the Family and Medical Leave Act (FMLA) of 1993 (*29 USC* 2601 et seq.), an employer must grant eligible
Faculty and Administrative Professional Personnel Leave

Requirements (cont.) employees a total of 12 workweeks of absence during a rolling 12-month period for any of the following reasons:

- To seek treatment and recover from the employee's serious health condition.
- To care for the employee's parent, spouse, or child who has a serious health condition.
- To provide care to the employee's newborn, adopted, or foster child.

Leave to Care for Upon request, the University must grant eligible faculty or AP Service Member employees up to a total of 26 workweeks of absence during a rolling 12-month period to care for an allowed individual. Allowed individuals include a spouse, son, daughter, parent, or next of kin who is suffering from a serious injury or illness arising from injuries incurred in the line of duty in the U.S. armed forces. For FMLA purposes, the term next of kin is defined as the nearest blood relative of the ill or injured individual.

Eligible Employee

An eligible employee is an employee who has:

- Worked for the state for at least 12 months, and
- Worked at least 1,250 hours during the previous 12-month period. NOTE: Paid leave is not counted toward the 1,250 hours of work.

Definition of Spouse

The FMLA regulatory definition of spouse includes all individuals in legal marriages, in all locations in the United States. Legally married couples, whether opposite-sex, same-sex, or common law, have family leave rights regardless of whether the state in which they currently reside recognizes such marriages (29 CFR Part 825.102 and 825.122(b)).

Provisions

The following provisions apply to the granting and use of family medical leave under FMLA:

- HRS designates which employee absences meet the criteria of family medical leave.
- Designated paid or unpaid leave is counted toward the 12 weeks of family medical leave.
- The employee may choose to use accrued paid leave or LWOP during a period of family medical leave.
Faculty and Administrative Professional Personnel Leave

Provisions (cont.)

• The employee is to return to the same or equivalent position which they held prior to the family medical leave absence.

• The University continues an eligible employee's University-paid health insurance benefits during the family medical leave period. (Contact HRS regarding benefits if the employee does not return to work at the end of the family medical leave period.) The employee is responsible for their portion of the premiums and must make arrangements with Benefits Services to ensure the premiums are paid. Failure to pay the employee’s portion of the premiums may result in loss of benefits.

Application Guidelines

For application advisory guidelines and more detailed information concerning family medical leave, see the HRS website at:

HOLIDAY

A holiday is a day when all University offices and departments on a WSU campus are closed except for certain essential service units.

The University provides ten holidays each fiscal year for faculty, AP, and civil service employees. Refer to the holiday schedule in BPPM 60.76 for current WSU holiday schedules for specified University locations.

An employee on a less than 12-month appointment is eligible for holidays scheduled within the appointment term.

NOTE: A faculty member or AP employee must be in pay status the work day prior to the holiday in order to receive pay for the holiday.
Faculty and Administrative Professional Personnel Leave

Academic Faculty Only

For academic faculty on less than 12-month appointments, a break in the academic calendar when classes are not taught is not considered a holiday unless the break coincides with a designated University holiday (see BPPM 60.76). Academic faculty positions include instructional and research positions.

NOTE: The University expects academic faculty with ongoing responsibilities to perform those duties during academic breaks.

LEAVE DUE TO SUSPENDED OPERATIONS, EMERGENCY CLOSURES, OR INCLEMENT WEATHER

The University administration determines whether to implement periods of suspended operations or closures due to emergencies or inclement weather (see BPPM 50.40).

Administrative Professional (AP) Employees

AP employees may request the use of annual leave, personal holiday, compensatory time (if overtime-eligible), or LWOP to cover absence due to suspended operations, emergency closure, or inclement weather. As an alternative to using leave, AP employees must be given an opportunity to reschedule work time lost, which must be rescheduled and worked within the workweek.

The appropriate manager in an AP employee's supervisory chain may authorize the employee to work from home during inclement weather. NOTE: A temporary telework arrangement is not required to accommodate work from home during a period of suspended operations, inclement weather, or an unanticipated circumstance lasting less than a week that requires an employee to remain at home, such as care of a family member. (See BPPM 60.34 regarding telework arrangements.)

AP employees may use up to three days of sick leave per calendar year for absence due to suspended operations, emergency closures, or inclement weather after all other paid leave is exhausted.

Overtime-Eligible APs

An overtime eligible AP employee may be required to use compensatory time for absence due to inclement weather before using annual leave hours, unless this requirement would result in a loss of accumulated annual leave.

Faculty

The department chair or director may authorize a faculty employee to work from home during inclement weather. NOTE: A temporary telework arrangement is not required to accommodate work from home during a period of suspended operations, inclement weather, or an unanticipated circumstance lasting less than a week that
Faculty and Administrative Professional Personnel Leave

**Faculty (cont.)** requires an employee to remain at home, such as care of a family member (see BPPM 60.34).

Refer to the *Faculty Manual*.

Faculty who are not required to work use annual leave or LWOP for absence due to inclement weather, suspended operations, or emergency closures.

Faculty who accrue sick leave may use up to three days of sick leave per calendar year for absence due to suspended operations, emergency closures, or inclement weather after all other paid leave is exhausted.

**All Employees**

All employees refer to BPPM 50.40 regarding suspended operations and emergency closures.

All employees refer to BPPM 60.40 regarding staffing during suspended operations and emergency closures.

**LEAVE FOR LIFE-GIVING PROCEDURES** Employees are eligible for paid leave for the sole purpose of participating in life-giving procedures. Paid leave for participation in life-giving procedures:

- Is not to exceed five days in a two-year period.
- Is not charged against sick leave or annual leave.
- Does not require the use of LWOP.

(Executive Order 02-01)

A life-giving procedure is defined as a medically-supervised procedure involving the testing, sampling, or donation of blood, platelets, organs, fluids, tissues, and other human body for the purposes of donation, without compensation, to a person or organization for medically necessary treatments.

Employees must provide reasonable advance notice of a desire to take paid leave time to participate in live-giving procedures.

Supervisors may take into account program implementation and staffing replacement requirements in determining whether or not to grant such leave time.

In order to be credited with organ/blood donation leave time, an employee must provide written proof from an accredited medical
Faculty and Administrative Professional Personnel Leave

LIFE-GIVING PROCEDURES (cont.)

institution, physician, or other medical professional that the components employee participated in a life-giving procedure.

Any additional time needed for life-giving procedures is subject to University leave policies and collective bargaining agreements. Supervisors may also continue or implement informal, flextime, or other leave arrangements for these purposes.

The University's life-giving procedures leave policy does not create any entitlement or other right, which may be converted to cash, other compensation, or any other benefit. The policy is intended only to encourage altruistic life-giving procedures, and to allow paid leave to participate in such procedures.

To request leave for life giving procedures, an employee submits the request in Workday. See the Workday Request a Leave of Absence reference guide.

LEAVE FOR SPOUSE OF MILITARY MEMBER

During a period of military conflict, an employee whose spouse is a member of military who has been notified of an impending call or order to active duty or who has been deployed is entitled to a total of fifteen days of unpaid leave per deployment. Applicable military units are the Armed Forces of the United States, National Guard, or reserves.

The employee may choose to use accrued paid leave, e.g., annual leave, to cover any or all of the fifteen days of leave per deployment for which they are entitled.

The employee is entitled to fifteen days of military spousal leave:

• After the military spouse has been notified of an impending call or order to active duty and before deployment; or
• When the military spouse is on leave from deployment.

Requesting Leave for Spouse of Military Member

An employee who seeks military spousal leave requests the leave through Workday. See the Workday Request a Leave of Absence reference guide.

The employee must provide HRS with notice in either of the following cases:

• Within five business days of the employee's spouse receiving official notice of an impending call or order to active duty; or
Faculty and Administrative Professional Personnel Leave

Requesting Leave for Spouse of Military Member (cont.)

- Within five business days of the employee's spouse receiving official notice of leave from deployment.

LEAVE FOR VOTING

Supervisors may allow the use of compensatory time, annual leave, flexible scheduling and/or LWOP on the day of a primary, general, or special election to allow employees reasonable time for in person voting.

Faculty employees may refer to the Faculty Manual for more information about faculty LWOP availability, restrictions, and procedures. To view the manual, go to:

facsen.wsu.edu/?s=faculty+manual

AP employees may be granted up to 12 months of LWOP upon approval of the appointing authority. An extension for up to an additional 12 months may be granted upon the approval of the appointing authority and the Director of HRS. Refer to the Administrative Professional Handbook, available at the HRS website at:

hrs.wsu.edu/ap-handbook

Requesting LWOP

Employees are to submit requests for extended LWOP in Workday. See the Workday Request a Leave of Absence reference guide.

Family Medical Leave

If the LWOP request is for the employee's serious medical condition, maternity or parental leave, or to attend to the serious medical condition of a family member, refer to the FMLA rules (see Family Medical Leave).

Accruals While on LWOP

Faculty and AP employees do not earn annual or sick leave while on full LWOP, i.e., not working any days in a calendar month.

Faculty and AP employees who are on partial LWOP, i.e., working one or more days in a calendar month, accrue annual and sick leave on a prorated basis.

Benefits Eligibility

Leave without pay for a period that is equal to or greater than calendar month requires personal payment of insurance premiums unless one or more of the following apply:

- Faculty or AP employee is on approved family medical leave and is using paid leave to cover their portion of the premiums.
Faculty and Administrative Professional Personnel Leave

**Benefits Eligibility (cont.)**

- Faculty or AP employee is on parental leave under FMLA for up to 12 weeks and is using paid leave to cover their portion of the premiums.
- Faculty or AP employee is not eligible for family medical leave, is on disability LWOP or parental leave, and Faculty or AP employee is using eight hours of paid leave per month to keep benefits in effect for up to four months for their own condition or parental leave.

NOTE: Eight hours of pay may not generate enough pay to cover the employee's portion of the insurance premium. Contact Benefit Services to inquire how much leave must be used each month to cover employee's portion of the insurance premiums.

An FMLA-eligible employee may use eight hours of paid leave for one additional month beyond the family medical leave period in order to maintain benefits.

An employee may not move in and out of paid status during a disability leave not related to pregnancy, childbirth, or family medical leave. Usually, the employee uses paid leave until such leave is exhausted and then uses unpaid leave for the remainder of the disability leave period.

Contact Benefit Services regarding personal payment of insurance premiums, as needed; telephone 509-335-4521.

Review the following for more information regarding eligibility for benefits during periods of LWOP:

- Family Medical Leave
- Disability Leave
- Parental Leave

**MILITARY LEAVE**

The University grants leave with pay and LWOP for military leave to employees called to active duty or to take part in any active training duty with any of the armed forces of the United States.

**Military Leave With Pay**

Employees must be granted military leave with pay not to exceed 21 working days during each year in order to report for active duty or to take part in active training duty in any of the following:

- Washington National Guard
- Army reserves
Faculty and Administrative Professional Personnel Leave

Military Leave With Pay (cont.)

- Navy reserves
- Air Force reserves
- Coast Guard reserves
- Marine Corps reserves of the United States
- Any organized reserve or armed forces of the United States

For purposes of calculating military leave, the year begins October 1st and ends the following September 30th.

The employee receives paid military leave in addition to any annual or sick leave to which they are entitled. Paid military leave is not to result in any reduction in employee benefits, performance rates, privileges, and pay.

Physical Examination

Employees are not charged leave hours for time used to take a physical examination to determine fitness for military service.

Military Leave Without Pay

If the leave exceeds 21 working days, the University must grant employees a military leave of absence without pay for service in the uniformed services of the United States or the state, and reinstatement as provided in RCW Chapter 73.16.

Shared Leave During Periods of Military Leave

Refer to BPPM 60.58 for information regarding eligibility and application for shared leave during military leave.

Requesting Military Leave

Upon presentation of military orders to the appropriate dean or principal administrative officer, the University grants employees leave with pay and/or LWOP for active armed forces training duty and active service duty.

PARENTAL LEAVE

An eligible employee may request parental leave for up to 12 weeks for the birth and care of the employee's newborn child or the placement of a child with the employee for adoption or foster care. This leave may be in addition to any leave for illness or temporary disability due to pregnancy and/or childbirth.

Contact Benefit Services for additional information regarding parental leave.

PERSONAL HOLIDAY

Faculty and AP employees on annual appointments are entitled to one personal holiday to be used each fiscal year. The personal holiday is eight hours for full-time employees. Part-time employees earn a personal holiday based on their full-time equivalent.

If the personal holiday is not used during the fiscal year, it does not carry forward and is considered lost.
Faculty and Administrative Professional Personnel Leave

PERSONAL HOLIDAY

Employees must take all personal holiday hours on one day.

EXCEPTION: Employees may take personal holiday hours as a partial day if some of the personal holiday hours are use in either of the following ways:

- Donated for shared leave (see BPPM 60.58)
- Used for emergency leave

PROFESSIONAL LEAVE

Faculty and AP employees are eligible for professional leave. Refer to the written instructions from the Provost's Office and the Faculty Manual for more information.

SICK LEAVE

Earning Sick Leave

Faculty

Faculty on full-time, annual appointments earn sick leave at the rate of eight hours per month of completed service.

Faculty on part-time, annual appointments earn sick leave based on their percent of full time employment; e.g., half-time employees earn four hours per month of completed service.

Faculty on academic-year appointments earn sick leave at the rate of one working day (eight hours) per month of completed service for a total of nine working days per year. Academic faculty accrue four hours of sick leave for the months of May and August, which when combined with the rest of the academic year add up to nine working days of sick leave per year. One additional working day of sick leave is earned for each completed month of full-time summer employment.

AP

Full-time AP employees earn sick leave at the rate of eight hours per month of completed service.

See the Administrative Professional Handbook for more information. To view the handbook, go to the HRS website at:

hrs.wsu.edu/ap-handbook

Part-time AP employees earn sick leave based on a percent of full-time employment; e.g., half-time employees earn four hours per month of completed service.

Leave Accrual

Employees hired or separated within the month receive leave on a prorated basis. Prorated sick leave is calculated as follows:
**Faculty and Administrative Professional Personnel Leave**

**Leave Accrual (cont.)**

Number of days worked $\div$ number of working days in the month = *Fraction*

*Fraction* $\times$ 8.00 $\times$ %FTE = Sick leave accrual

Employees may accumulate an unlimited number of sick leave hours.

**LWOP**

Faculty and AP employees accrue sick leave on a prorated basis for portions of months that include LWOP.

**Prior State Service**

An employee who transfers to WSU with no break in service transfers accrued sick leave hours if they transfer from:

- A state of Washington agency.
- A state of Washington higher education institution.
- A state of Washington educational service district.
- A state of Washington school district.
- The office of the Washington superintendent of public instruction.

Employment by a state of Washington educational service district and a state of Washington school district is not considered to be state service. Employees may transfer accumulated leave from the educational service district or school district. However, such employees do not receive credit for state service. See *BPPM 60.19* and *WAC 357-31-110*.

The University restores unused sick leave balances for any state of Washington employee listed above who is reemployed within three years of the termination of prior state employment.
